KIA FUND B

Funds Remaining \$406,106.41

Green River Valley Water District plans to use the remaining funds to install an emergency generator at the District's Water Treatment Plant. The plans will be submitted to the Kentucky Division of Water for review and approval. Once bids are received, the District will apply for approval from the Public Service Commission.

Cave City, KY 42127

RE: Rio Verde Dam Improvements
KIA Loan No. B13-006
Initiation of Operations

Dear Mr. Paige:

Please be advised that the above referenced project was substantially completed and operational as of February 27, 2014 and the contract warranty period will be in effect for one year past that date. The project was constructed in accordance with the approved plans and specifications, and Record Drawings were delivered to the Water District.

It has been a pleasure working with you and the Water District's staff and I look forward to our successful partnership on future projects. If you have any questions or need further assistance, please call at your earliest convenience.

Sincerely,

R. Vaughn Williams, P.E.
President
